How To Modify A Quick Water Ferry Booking

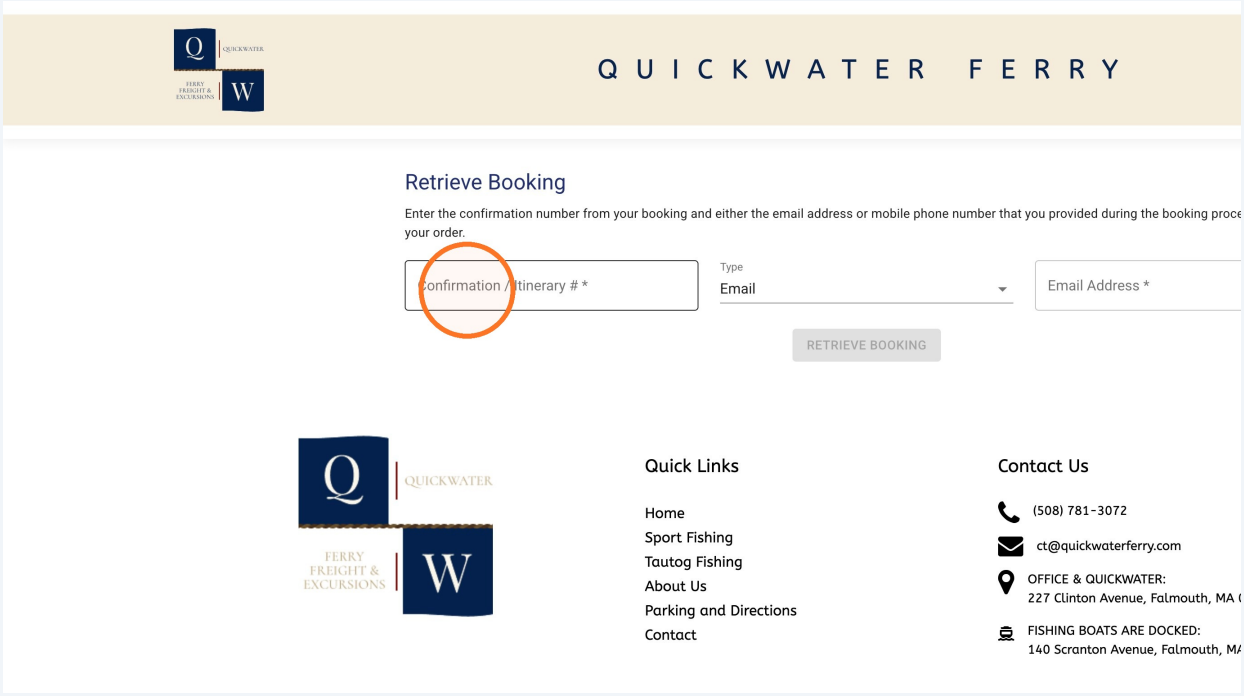

Learn how to update your existing ferry reservation by transferring your order to a new date. This guide provides a simple workflow to manage your booking details efficiently through the official portal.

Booking Retrieval

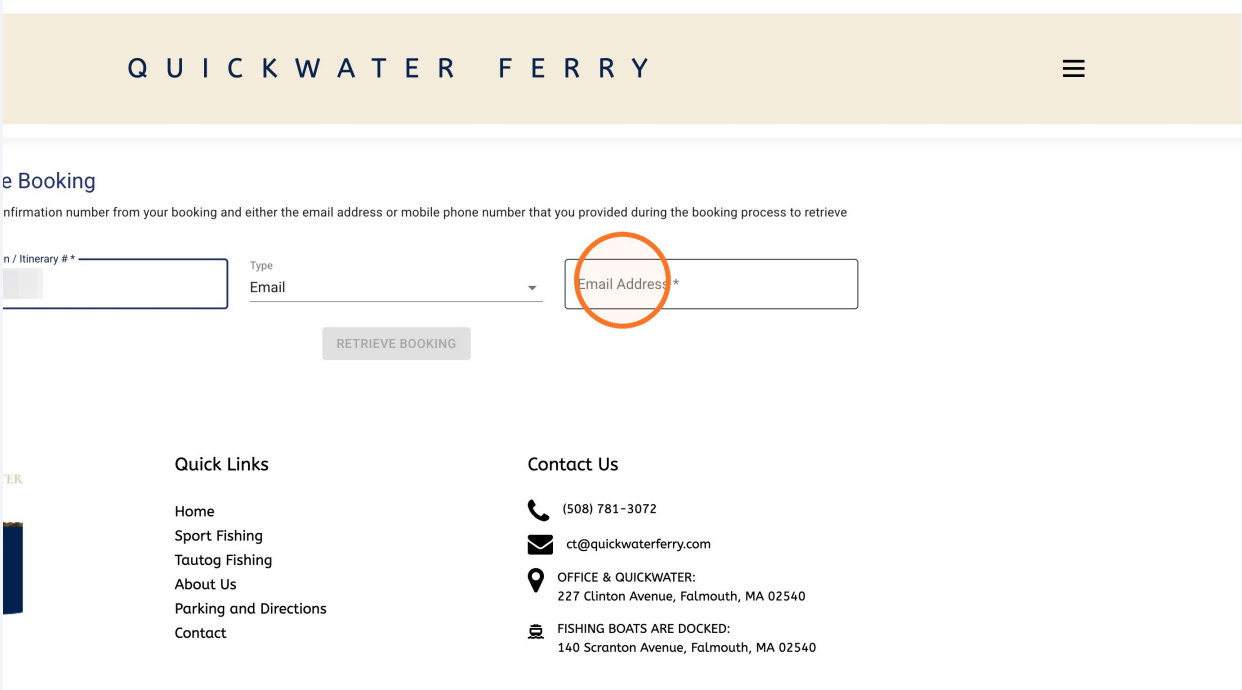

1 Navigate to the Manage Booking page by clicking the Manage Booking option in the confirmation email.

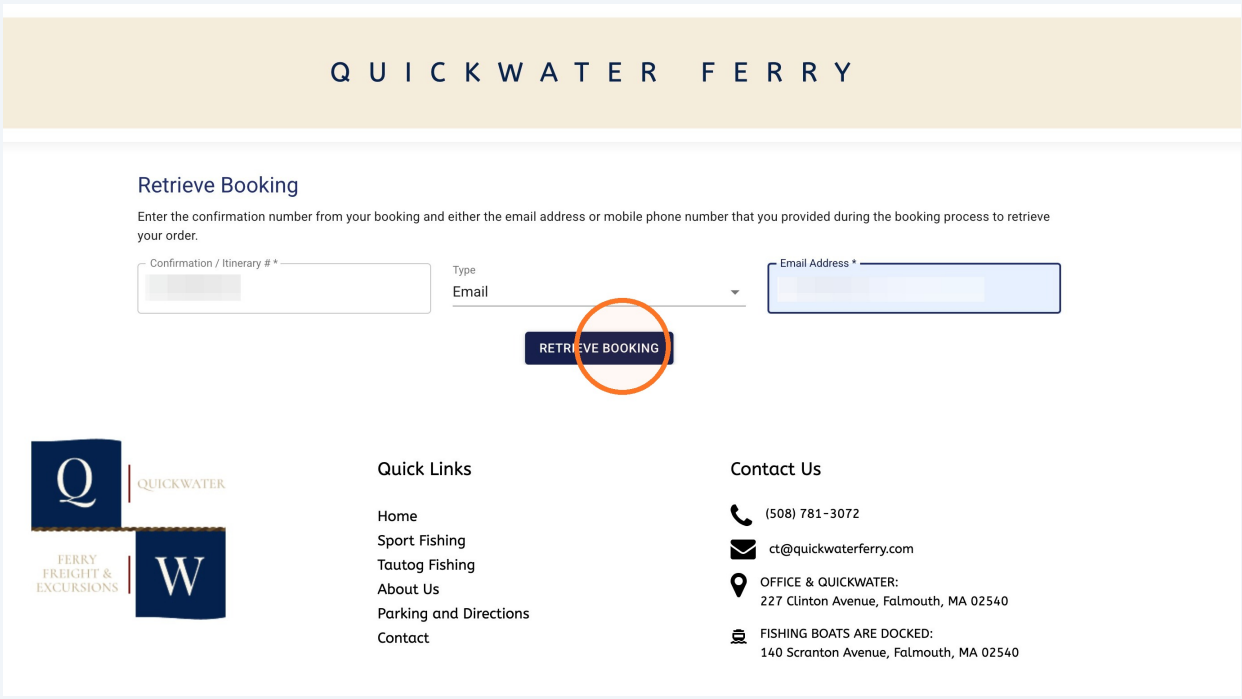

2 Enter the order ID in the "Confirmation / Itinerary # *" field.

3 Enter the email address linked with the booking in the Email Address field.

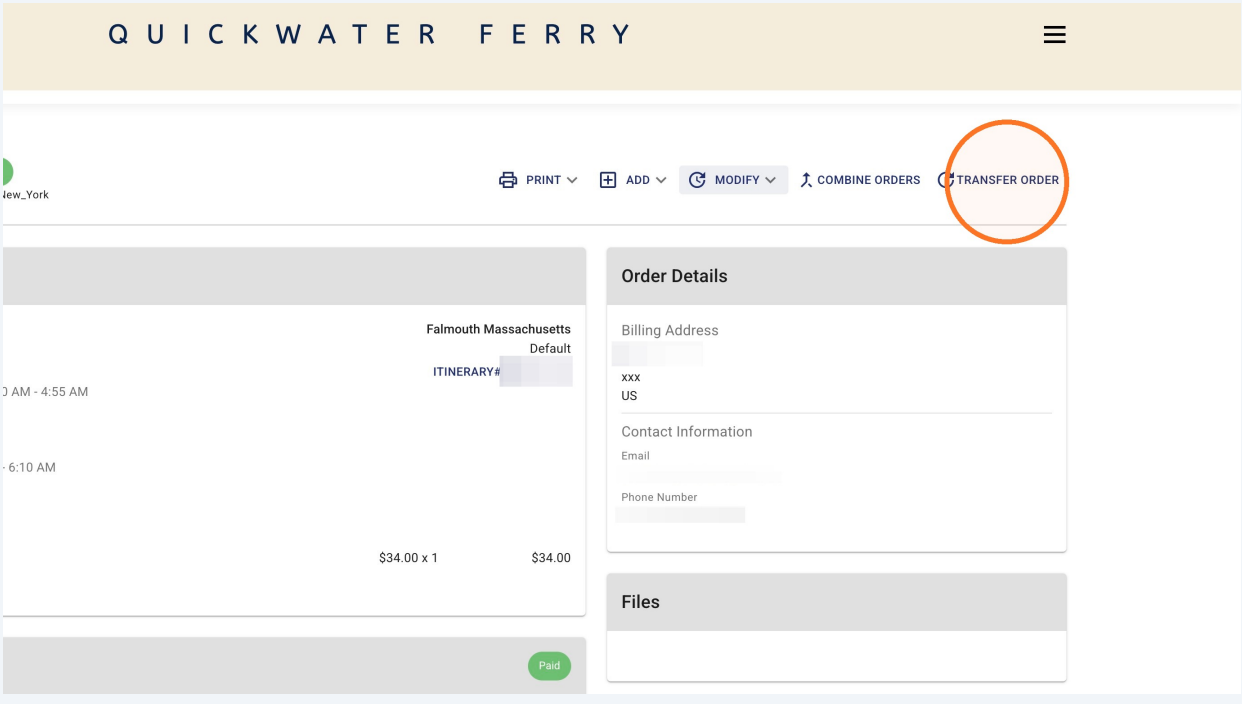

4 Click "Retrieve Booking"

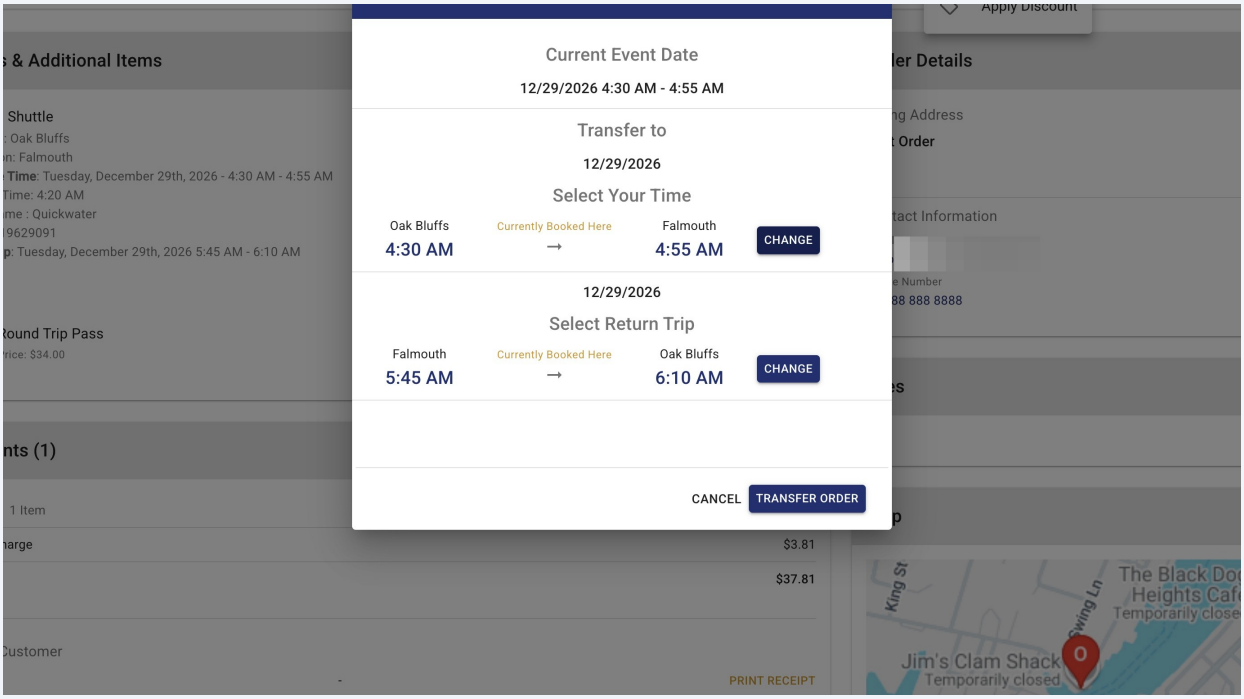

Order Transfer

5 Click "Transfer Order"

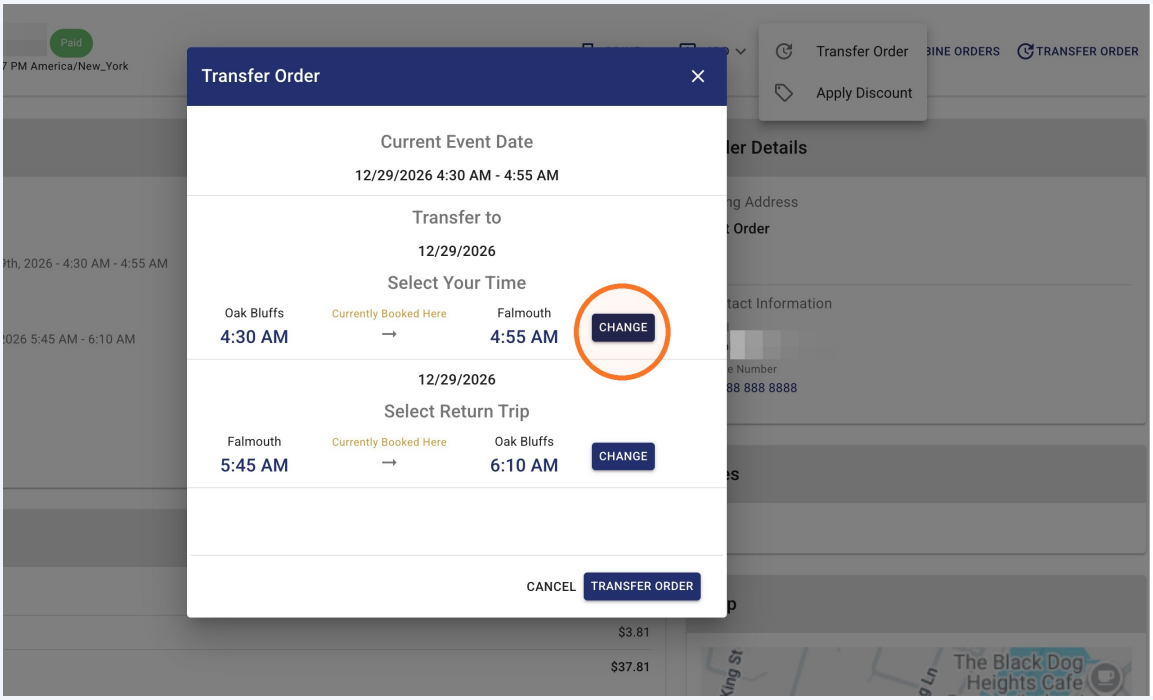

6 Select the trip you want to modify.

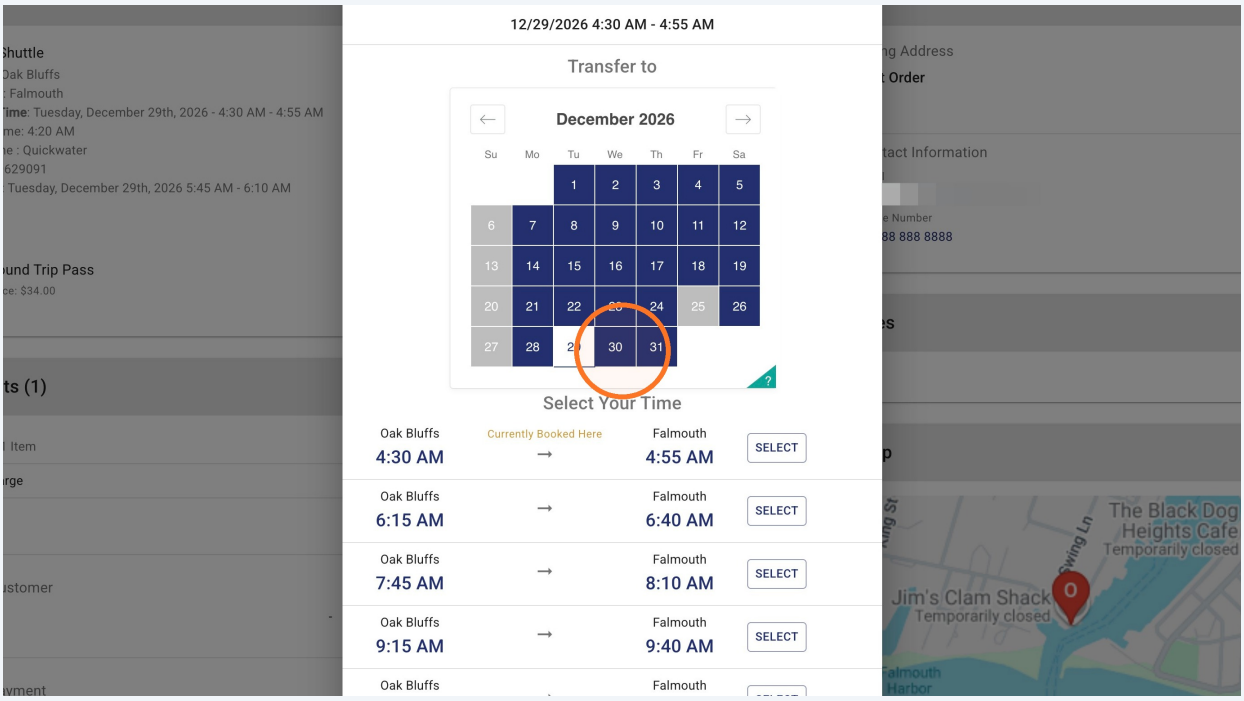

Trip Scheduling

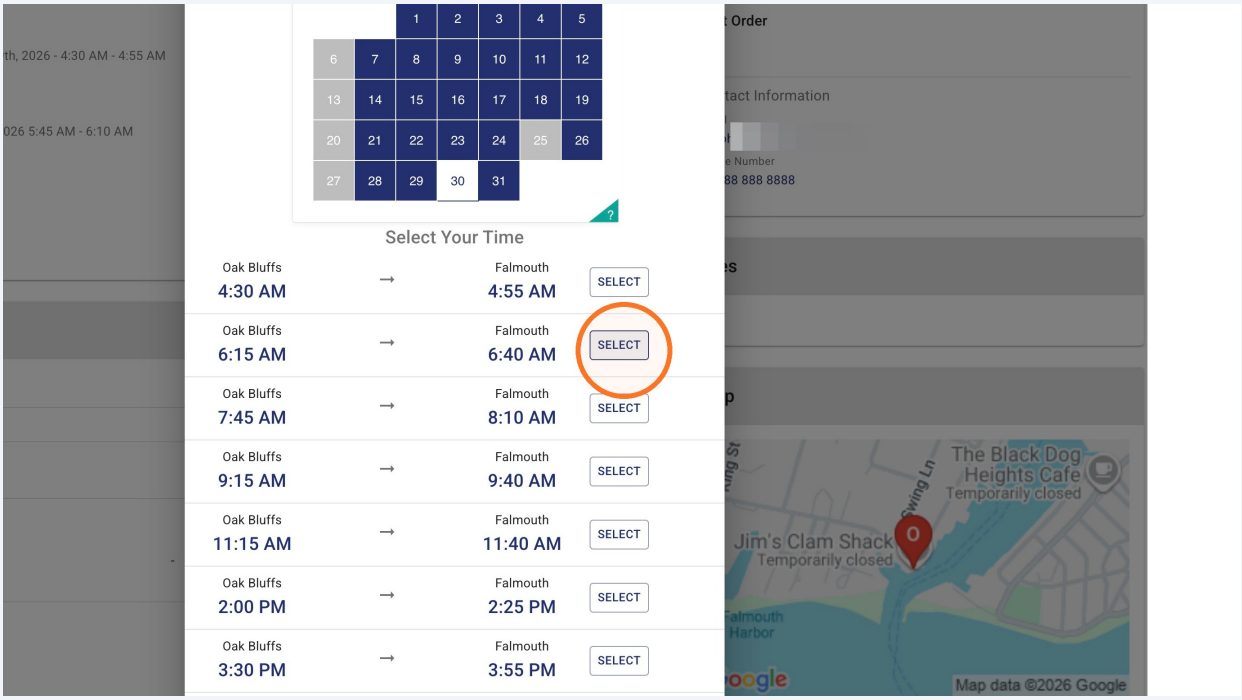

7 To change the departure trip, click the first Change button.

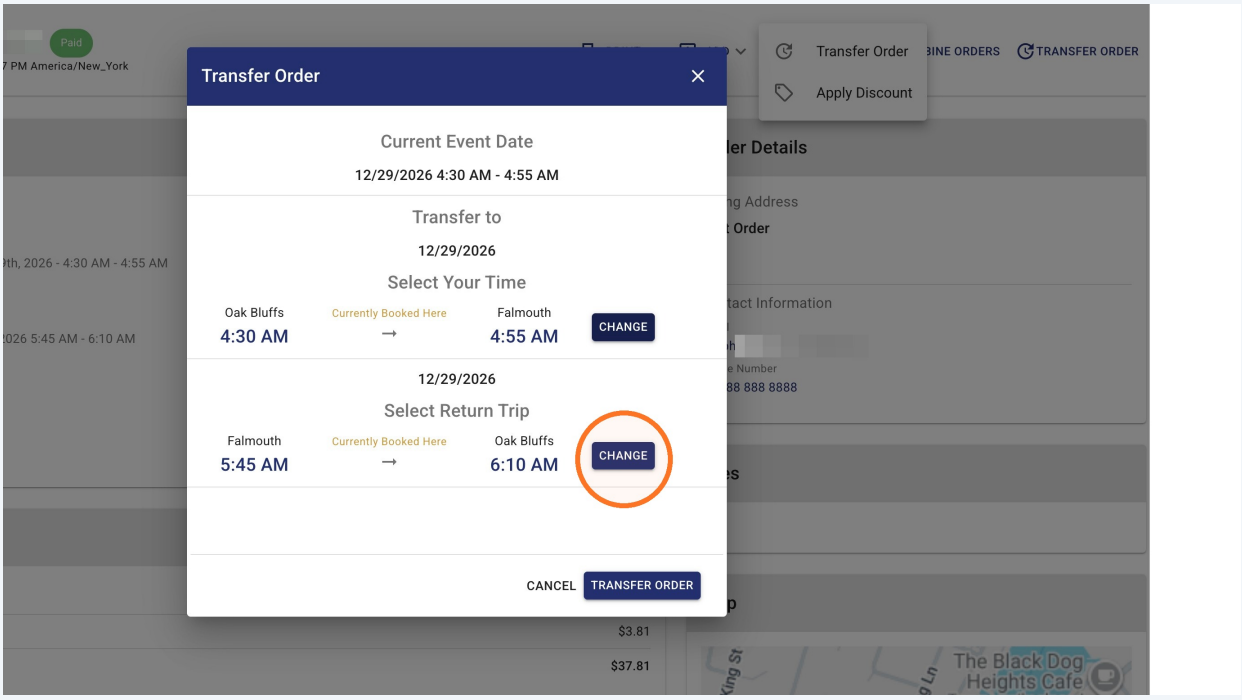

8 Select the date you want to transfer your trip to.

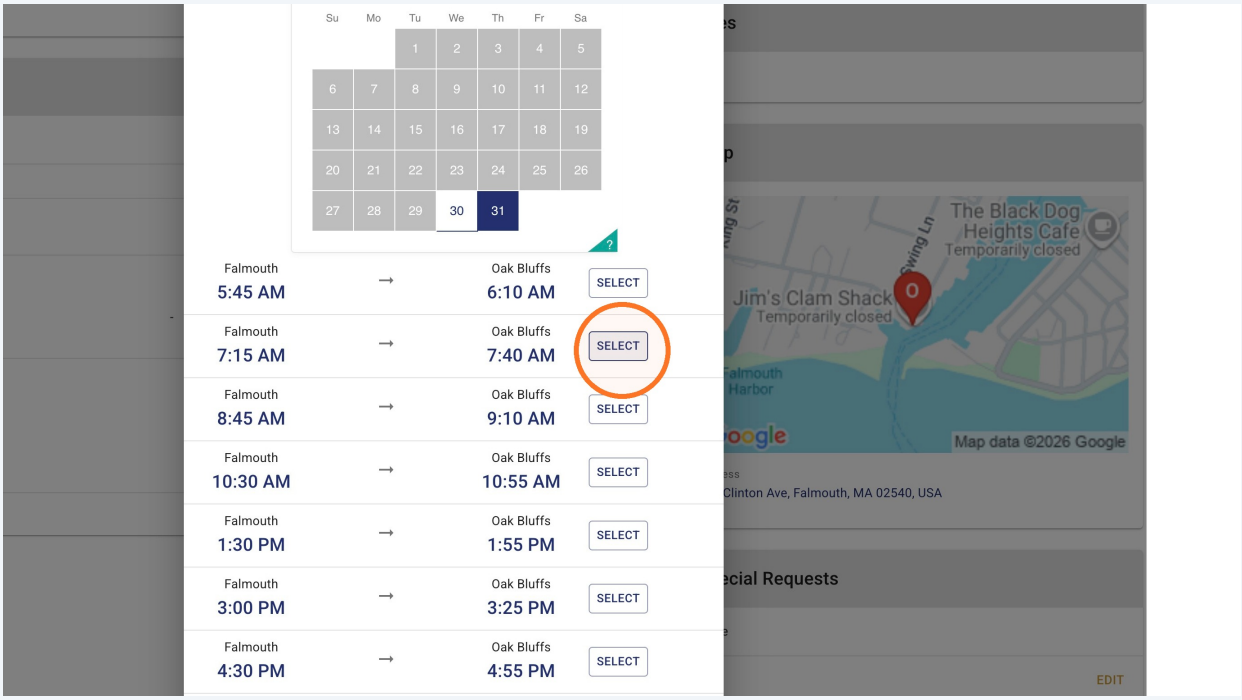

9 Select the time slot you want to transfer your departure trip to.

10 To change the return trip, click the second **Change** button.

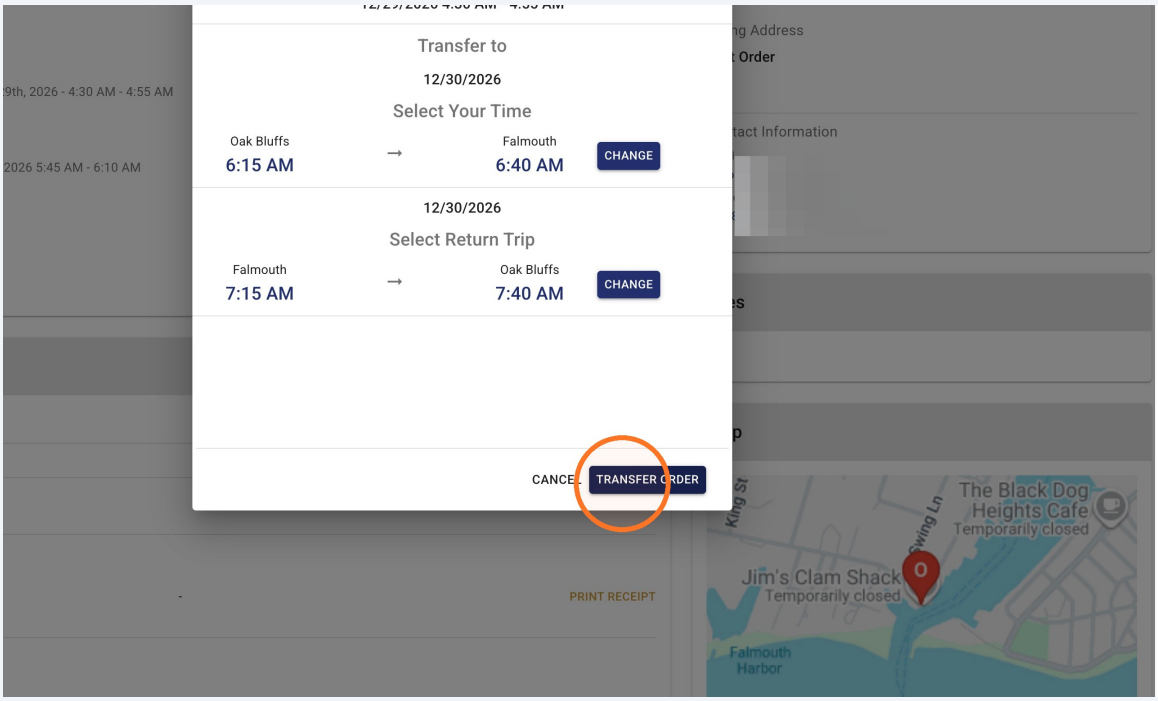

11 Select your preferred return ferry departure time.

Transfer Confirmation

12 Click "Transfer Order"

13 Click Close on the transfer-success confirmation.
